April 16, 2020.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on April 14, 2020, The Nasdaq Stock Market LLC (“Nasdaq” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II, below, which Items have been prepared by the Exchange. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to adopt a new rule titled, “Transfer of Positions” within NOM Options 6, Section 5, which is currently reserved. Today, NOM does not permit transfers. This proposed rule specifies the specific limited circumstances under which a Participant may effect transfers of positions. This rule would permit market participants to move positions from one account to another without first exposure of the transaction on the NOM. This rule would permit transfers upon the occurrence of significant, non-recurring events. The proposed rule change is similar to Cboe Rule 6.7.³

Permissible Transfers

The Exchange proposes to adopt new Options 6, Section 5 titled “Transfer of Positions” to provide for the circumstances pursuant to which Participants may transfer their options positions without first exposing the order. This rule states that a Participant must be on at least one side of the transfer. This rule is similar to CBOE Rule 6.7. Currently, NOM has no rule that specifically addresses transfers.

The Exchange proposes to provide at proposed Options 6, Section 5(a), “*Permissible Transfers*.” Existing positions in options listed on the Exchange of a Participant or non-Participant that are to be transferred on, from, or to the books of a Clearing Participant may be transferred off the if the transfer involves one or more of the following events:

(1) Pursuant to General 9, Section 1, an adjustment or transfer in connection with the correction of a bona fide error in the recording of a transaction or the transferring of a position to another account, provided that the original trade documentation confirms the error;

(2) the transfer of positions from one account to another account where no change in ownership is involved (*i.e.*, accounts of the same Person, provided the accounts are not in separate aggregation units or otherwise subject to information barrier or account segregation requirements;
