BILLING CODE 7020–02–P

INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 701–TA–647 and 731–TA–1517–1520 (Preliminary)]

Passenger Vehicle and Light Truck Tires From Korea, Taiwan, Thailand, and Vietnam

DETERMINATIONS

On the basis of the record¹ developed in the subject investigations, the United States International Trade Commission (“Commission”) determines, pursuant to the Tariff Act of 1930 (“the Act”), that there is a reasonable indication that an industry in the United States is materially injured by reason of imports

of passenger vehicle and light truck tires from Korea, Taiwan, Thailand, and Vietnam, provided for in subheadings 4011.10.10, 4011.10.50, 4011.20.10, and 4011.20.50 of the Harmonized Tariff Schedule of the United States, that are alleged to be sold in the United States at less than fair value (“LTFV”) and to be subsidized by the government of Vietnam.²

Commencement of Final Phase Investigations

Pursuant to § 207.18 of the Commission's rules, the Commission also gives notice of the commencement of the final phase of its investigations. The Commission will issue a final phase notice of scheduling, which will be published in the **Federal Register** as provided in § 207.21 of the Commission's rules, upon notice from the U.S. Department of Commerce (“Commerce”) of affirmative preliminary determinations in the investigations under sections 703(b) or 733(b) of the Act, or, if the preliminary determinations are negative, upon notice of affirmative final determinations in those investigations under sections 705(a) or 735(a) of the Act. Parties that filed entries of appearance in the preliminary phase of the investigations need not enter a separate appearance for the final phase of the investigations. Industrial users, and, if the merchandise under investigation is sold at the retail level, representative consumer organizations have the right to appear as parties in Commission antidumping and countervailing duty investigations. The Secretary will prepare a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigations.

Background

On May 13, 2020, the United Steel, Paper and Forestry, Rubber, Manufacturing, Energy, Allied Industrial and Service Workers International Union, AFL–CIO, CLC (“USW”), Pittsburgh, Pennsylvania, filed petitions with the Commission and Commerce, alleging that an industry in the United States is materially injured or threatened with material injury by reason of subsidized imports of passenger vehicle and light truck tires from Vietnam and LTFV imports of passenger vehicle and light truck tires from Korea, Taiwan, Thailand, and Vietnam. Accordingly, effective May 13, 2020, the Commission instituted countervailing duty investigation No. 701–TA–647 and antidumping duty

investigation Nos. 731–TA–1517–1520 (Preliminary).

Notice of the institution of the Commission's investigations and of a public conference to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** of May 19, 2020 (85 FR 29972). In light of the restrictions on access to the Commission building due to the COVID–19 pandemic, the Commission conducted its conference through written questions, submissions of opening remarks and written testimony, written responses to questions, and postconference briefs. All persons who requested the opportunity were permitted to participate.

The Commission made these determinations pursuant to sections 703(a) and 733(a) of the Act (19 U.S.C. 1671b(a) and 1673b(a)). It completed and filed its determinations in these investigations on July 24, 2020. The views of the Commission are contained in USITC Publication 5093 (July 2020), entitled *Passenger Vehicle and Light Truck Tires from Korea, Taiwan, Thailand, and Vietnam: Investigation Nos. 701–TA–647 and 731–TA–1517–1520 (Preliminary)*.

By order of the Commission.

Issued: July 17, 2020.

Secretary to the Commission.

DATES: Comments are encouraged and will be accepted for an additional 30 days until August 21, 2020.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

SUPPLEMENTARY INFORMATION: Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency’s estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Evaluate whether and if so how the quality, utility, and clarity of the

information to be collected can be enhanced; and

- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of responses.

Overview of This Information Collection

(1) *Type of Information Collection:* Extension without change of a currently approved collection.

(2) *The Title of the Form/Collection:* Annual Firearms Manufacturing and Exportation Report Under 18 U.S.C. Chapter 44, Firearms.

(3) *The agency form number, if any, and the applicable component of the Department sponsoring the collection:*

Form number: ATF Form 5300.11.

Component: Bureau of Alcohol, Tobacco, Firearms and Explosives, U.S. Department of Justice.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:*

Primary: Business or other for-profit.

Other: None.

Abstract: The information collected on the Annual Firearms Manufacturing and Exportation Report Under 18 U.S.C. Chapter 44, Firearms—ATF Form 5300.11, is used to compile statistics about the manufacture and exportation of firearms. This collection of information is mandatory under 18 U.S.C. 923(g)(5)(A). The completed ATF Form 5300.11 must be submitted annually by every Type 07 and Type 10 Federal Firearms Licensees (FFLs), even if no firearms were exported or distributed into commerce.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* An estimated 13,600 respondents will utilize the form annually, and it will take each respondent approximately 20 minutes to complete their responses.

(6) *An estimate of the total public burden (in hours) associated with the collection:* The estimated annual public burden associated with this collection is 4,533 hours, which is equal to 13,600 (# of respondents) * 1 (total responses per respondents) * .333 (24 minutes).

(7) *An Explanation of the Change in Estimates:* Due to more licensed manufacturers, the total respondents to this IC has increased by 1,600, since the last renewal in 2017. An increase in the total respondents has also contributed

in a slight increase in the total burden hours by 533, since 2017.
