For My Future

Ex-Offender Course

“It has given me confidence and resilience to realise who I am and who I can be at a time I was lost”

Anon FMF participant

Opening doors to volunteering

Step Together Volunteering supports participants to build and develop the personal and practical skills needed to move forward. As well as offering progression routes into volunteering, training, and employment.

We aim to help overcome the barriers ex-offenders face in finding work and our tailored course comprises 20 hours of guided learning, 1:1 mentoring and home learning, CV and interview techniques and a plan to get you into volunteering within your community.

Contact our Volunteer Project Manager to see if you qualify:
