I. Background

OHRP is announcing the availability of a guidance document titled “Guidance on Elimination of Institutional Review Board (IRB) Review of Research Applications and Proposals: 2018 Requirements.” The guidance document provides OHRP’s first formal guidance on this topic. The document is intended primarily for institutions, IRBs, investigators, HHS funding agencies, and others that may be responsible for the review, conduct, or oversight of nonexempt research involving human subjects conducted or supported by HHS.
