C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate, it has become effective pursuant to 19(b)(3)(A) of the Act⁹ and Rule 19b-4(f)(6)¹⁰ thereunder.

A proposed rule change filed under Rule 19b-4(f)(6)¹¹ normally does not become operative for 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),¹² the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the operative delay to allow the Exchange to provide notice of the implementation delay as early as possible. The Commission believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest because it will allow the Exchange to promptly notify its members of the delay in implementing the functionality that will allow the component legs of a complex order to execute outside the NBBO when they execute against orders on the Simple Order Book. Accordingly, the Commission hereby waives the 30-day operative delay and designates the proposal operative upon filing.¹³

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such

action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

II. Description of the Proposed Rule Change

The Exchange proposes to amend the NYSE Arca Rule 11.6800 Series (“Compliance Rule”), which sets forth rules regarding Industry Member⁷ compliance with the CAT NMS Plan. Specifically, the proposed rule change would make the following changes to the Compliance Rule to be consistent with certain proposed amendments to and exemption requests submitted by the Participants⁸ of the CAT NMS Plan: (1) Revise data reporting requirements for the Firm Designated ID⁹ based on a proposed amendment to the CAT NMS Plan filed with the Commission;¹⁰ (2) amend the dates for required testing and reporting in the Compliance Rule for Industry Member reporting;¹¹ (3) amend the rules to require Industry Members to submit trade reports for executions and cancellations for cancelled trades to the FINRA’s Trade Reporting Facilities, FINRA’s OTC Reporting Facility or

FINRA’s Alternative Display Facility;¹² (4) revise the timestamp granularity requirement to require Industry Members with order handling or execution systems that utilize time stamps in increments finer than milliseconds to report timestamps up to nanoseconds when reporting Industry Member data¹³ to the Central Repository;¹⁴ (5) revise the reporting requirements for circumstances in which an Industry Member uses an established trading relationship for an individual Customer, instead of an account, on the order reported to CAT;¹⁵ and (6) revise the CAT reporting

requirements so Industry Members would not be required to report to the Central Repository dates of birth, social security numbers, or account numbers for individuals.¹⁶

The Exchange also proposes to amend the Exchange’s Compliance Rule to facilitate the retirement of certain existing regulatory systems, specifically the Financial Industry Regulatory Authority, Inc.’s (“FINRA”) Order Audit Trail System, by adding additional data elements to the CAT reporting requirements for Industry Members,¹⁷ additional reporting requirements for alternative trading systems,¹⁸ and additional data elements related to OTC Equity Securities¹⁹ that FINRA currently receives from alternative trading systems that trade OTC Equity Securities.²⁰

III. Proceedings To Determine Whether To Approve or Disapprove the Proposed Rule Change

The Commission is instituting proceedings pursuant to Section 19(b)(2)(B) of the Act²¹ to determine whether the proposed rule change should be approved or disapproved. Institution of proceedings does not indicate that the Commission has reached any conclusions with respect to any of the issues involved. Rather, the Commission seeks and encourages interested persons to provide additional comment on the proposed rule change to inform the Commission’s analysis of whether to approve or disapprove the proposed rule change.

Pursuant to Section 19(b)(2)(B) of the Act,²² the Commission is providing

Exemption from Certain Provisions of the National Market System Plan Governing the Consolidated Audit Trail related to Granularity of Timestamps and Relationship Identifiers (Feb. 3, 2020).

¹⁶ See Notice, *supra* note 4, at 4022. The Participants requested and have received exemptive relief from the requirement of Section 6.4(d)(ii)(C) of the CAT NMS Plan for the Participants, in their Compliance Rules, to require their members to provide dates of birth, account numbers and social security numbers for individuals to the CAT. See Securities Exchange Act Release No. 88393 (March 17, 2020), 85 FR 16152 (March 20, 2020). ¹⁸ See Notice, *supra* note 4, at 4013–15.

¹⁹ OTC Equity Security, as defined in the CAT NMS Plan, means any equity security, other than an NMS Security, subject to prompt last sale reporting rules of a registered national securities association and reported to one of such association’s equity trade reporting facilities. See CAT NMS Plan, *supra* note 3, at Section 1.1.

²² 15 U.S.C. 78s(b)(2)(B).

⁶ 15 U.S.C. 78(s)(b)(2)(B).

⁷ Industry Member means a member of a national securities exchange or a member of a national securities association. See CAT NMS Plan, *supra* note 3, at Section 1.1. See also proposed NYSE Arca Rule 11.6810(s).

⁸ The Participants include BOX Exchange LLC, Cboe BYX Exchange, Inc., Cboe BZX Exchange, Inc., Cboe C2 Exchange, Inc., Cboe EDGA Exchange, Inc., Cboe EDGX Exchange, Inc., Cboe Exchange, Inc., Financial Industry Regulatory Authority, Inc., Investors’ Exchange LLC, Long-Term Stock Exchange, Inc., Miami International Securities Exchange LLC, MIAAX Emerald, LLC, MIAAX PEARL, LLC, Nasdaq BX, Inc., Nasdaq GEMX, LLC, Nasdaq ISE, LLC, Nasdaq MRX, LLC, Nasdaq PHLX LLC, The Nasdaq Stock Market LLC, New York Stock Exchange LLC, NYSE American LLC, NYSE Arca, Inc., NYSE Chicago, Inc., and NYSE National, Inc.

⁹ As proposed, “Firm Designated ID” would mean a unique and persistent identifier for each trading account designated by Industry Members for purposes of providing data to the Central Repository, where each such identifier is unique among all identifiers from any given Industry Member; provided, however, such identifier may not be the account number for such trading account if the trading account is not a proprietary account. See proposed NYSE Arca Rule 11.6810(r).

¹⁰ See Notice, *supra* note 4, at 4012. See also Letter to Vanessa Countryman, Secretary, SEC, from Michael Simon, CAT NMS Plan Operating Committee Chair re: Notice of Filing of Amendment to the National Market System Plan Governing the Consolidated Audit Trail (April 14, 2020). The Commission has not approved or disapproved the changes proposed in this amendment.

¹¹ See Notice, *supra* note 4, at 4016–4020. On February 19, 2020, the Participants submitted a request for exemptive relief from the reporting dates required by the CAT NMS Plan. See Letter to Vanessa Countryman, Secretary, SEC, from Michael Simon, CAT NMS Plan Operating Committee Chair, re: Request for Exemption from Provisions of the National Market System Plan Governing the Consolidated Audit Trail related to Industry Member Reporting Dates (Feb. 19, 2020).

¹² See Notice, *supra* note 4, at 4020. On February 12, 2020, the Participants submitted a request for exemptive relief from the requirement in Sections 6.4(d)(ii)(A)(2) and (B) of the CAT NMS Plan to require Industry Members to record and report, if an order is executed, the SRO-Assigned Market Participant Identifier of the clearing broker, and if a trade is cancelled, the cancelled trade indicator. See Letter to Vanessa Countryman, Secretary, SEC, from Michael Simon, CAT NMS Plan Operating Committee Chair, re: Request for Exemption from Certain Provisions of the National Market System Plan Governing the Consolidated Audit Trail related to FINRA Facility Data Linkage (Feb. 12, 2020). If granted, the exemptive relief would revise CAT reporting requirements regarding cancelled trades and SRO-Assigned Market Participant Identifiers of clearing brokers, if applicable, in connection with order executions, as such information would be available from FINRA’s trade reports submitted to CAT.

¹³ See Notice, *supra* note 4, at 4021. On February 3, 2020, the Participants filed a request for exemptive relief from the current CAT NMS Plan requirement to record and report Industry Member Data with time stamps consistent with their system, a requirement from which the Exchange requests an exemption. See Letter to Vanessa Countryman, Secretary, SEC, from Michael Simon, CAT NMS Plan Operating Committee Chair, re: Request for Exemption from Certain Provisions of the National Market System Plan Governing the Consolidated Audit Trail related to Granularity of Timestamps and Relationship Identifiers (Feb. 3, 2020). On April 8, 2020, the Commission granted the exemptive relief for timestamp granularity. See Securities Exchange Act Release No. 88608 (April 8, 2020), 85 FR 20743 (April 14, 2020).

¹⁴ The Central Repository, as defined in the CAT NMS Plan, means “the repository responsible for the receipt, consolidation, and retention of all information reported to the CAT pursuant to SEC Rule 613 and this Agreement.” See CAT NMS Plan, *supra* note 3, at Section 1.1.

¹⁵ See Notice, *supra* note 4, at 4021. On February 3, 2020, the Participants filed a request for exemptive relief from the CAT NMS Plan requirement that Participants, through their Compliance Rules, require Industry Members to record and report to the Central Repository the account number, the date account opened, and the account type for individual customers in circumstances in which an Industry Member uses an established trading relationship for the individual customer. Instead, the Participant would require Industry Members to record and report to the Central Repository for the original receipt or origination of an order: (i) The relationship identifier instead of the account number, (ii) the “account type” as a “relationship”, and (3) the account effective date instead of the “date account opened.” See Letter to Vanessa Countryman, Secretary, SEC, from Michael Simon, CAT NMS Plan Operating Committee Chair, re: Request for

notice of the grounds for possible disapproval under consideration. The Commission is instituting proceedings to allow for additional analysis of the proposed rule change's consistency with Section 6(b)(5) of the Act,²³ which requires, among other things, that the rules of a national securities exchange be "designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade," and "to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest."²⁴ The Commission believes that several of the proposed rule changes are not consistent with the CAT NMS Plan or exemptive relief that has been granted as of the date of this Order.

IV. Commission's Solicitation of Comments

The Commission requests that interested persons provide written submissions of their views, data, and arguments with respect to the issues identified above, as well as any other concerns they may have with the proposal. In particular, the Commission invites the written views of interested persons concerning whether the proposal is consistent with Section 6(b)(5)²⁵ or any other provision of the Act, or the rules and regulations thereunder. Although there do not appear to be any issues relevant to approval or disapproval that would be facilitated by an oral presentation of views, data, and arguments, the Commission will consider, pursuant to Rule 19b-4 under the Act,²⁶ any request for an opportunity to make an oral presentation.²⁷

Interested persons are invited to submit written data, views, and arguments regarding whether the proposal should be approved or disapproved by May 15, 2020. Any person who wishes to file a rebuttal to any other person's submission must file that rebuttal by May 29, 2020. Comments may be submitted by any of the following methods:
