

Advisory Agreement in accordance with its typical process for approving Sub-Advisory Agreements. Consistent with Section 15(c) of the Act, the Board would request and evaluate such information as may reasonably be necessary to evaluate the terms of any Sub-Advisory Agreement, and the Adviser and sub-adviser would provide such information.

12. Finally, Applicants note that that if one or more Board members request that a Sub-Adviser Change be considered in-person, then the Board would not be able to rely on the relief and would have to consider the Sub-Adviser Change at an in-person meeting.

13. The Commission continues to believe that a board's decision-making process may benefit from the directors' having the opportunity to interact in person, as a group and individually. We recognize, however, that under the circumstances described by Applicants, the need to act promptly for the benefit of the Fund may justify the Board's meeting on a non-in-person basis, and that technological advances enable directors to hold such meetings in a manner where the directors can be personally present and able to assure themselves that they are informed as to the matter that requires action by the Board. Accordingly, the requested relief would meet the applicable standard for relief under the Act.

V. Applicants' Conditions

Applicants agree that any order granting the requested relief will be subject to the following conditions:

1. The Independent Trustees will approve a Sub-Adviser Change at a non-in-person meeting in which Board members may participate by any means of communication that allows those Board members participating to hear each other simultaneously during the meeting.

2. Management will represent that the materials provided to the Board for the non-in-person meeting include the same information the Board would have received if a Sub-Adviser Change were sought at an in-person Board meeting.

3. The notice of the non-in-person meeting will explain the need for considering the Sub-Adviser Change at a non-in-person meeting. Once notice of the non-in-person meeting to consider a Sub-Adviser Change is sent, Board members will be given the opportunity to object to considering the Sub-Adviser Change at a non-in-person Board meeting. If a Board member requests that the Sub-Adviser Change be considered in-person, the Board will consider the Sub-Adviser Change at an

in-person meeting, unless such request is rescinded.

4. A Subadvised Series' ability to rely on the requested relief will be disclosed in the Subadvised Series' registration statement.

By the Commission.

J. Matthew DeLesDernier,

Assistant Secretary.

(the Line).¹ The Line traverses U.S. Postal Service Zip Code 97103.

PNWR has certified that: (1) No local traffic has moved over the Line for at least two years; (2) because the Line is stub-ended, it has not handled any overhead traffic in at least two years, and there is no potential overhead traffic that would need to be rerouted; (3) no formal complaint filed by a user of rail service on the Line (or by a state or local government entity acting on behalf of such user) regarding cessation of service over the Line is pending either with the Surface Transportation Board (Board) or with any U.S. District Court or has been decided in favor of complainant within the two-year period; and (4) the requirements at 49 CFR 1105.12 (newspaper publication) and 49

¹ PNWR initially submitted its verified notice on December 6, 2019, and supplemented it on December 10 and December 16, 2019. By letter filed December 26, 2019, PNWR notified the Board that it had included an incorrect Zip Code in its notice and requested that the proceeding be held in abeyance. The Board granted PNWR's request to allow it to submit supplemental information, and on January 6, 2020, PNWR submitted amendments to its notice. Therefore, January 6, 2020 is considered the filing date and the basis for all dates in this notice.
