

system “has been remarkably successful in promoting market competition in its broader forms that are most important to investors and listed companies.”³³

As noted above, the Exchange recognizes that removing the LCN 10 Gb connection from its Price List would eliminate a connectivity option previously available to Users. Indeed, the proposed change may negatively impact the Exchange’s revenues, since Current Users may opt to re-tailor their systems to reduce the number of connections, move to 10 Gb IP network connections, re-tailor become Hosted Customers, or cross-connect to another User. Such choices, any of which would reduce revenue, may be more attractive to Users as a consequence of the change.

Nonetheless, the Exchange believes that the change is necessary and appropriate because, as a consequence of the manufacturer’s declaration of the First Switch’s EOL, if the Exchange did not eliminate the LCN 10 Gb connections, the Exchange’s ability to provide support or supplies to Users that have such connections would be compromised. Not being able to resolve connectivity issues related to First Switches or even replace them would make the Exchange’s compliance with Regulation SCI suboptimal. When the inevitable hardware or software issues involving the First Switch arose, the Exchange would not have the manufacturer resources available to solve connectivity issues or replace switches. Users’ connections to the Exchange could be compromised or wholly cut off. At the same time, if a User requested a new or replacement LCN 10 Gb connection, the Exchange would not be able to obtain one. It would be contrary to the protection of investors and the public interest if the Exchange were to continue to offer a connectivity option that it could not support, or if Users were compromised or wholly unable to use their connectivity to connect to the Exchange.

For the reasons described above, the Exchange believes that the proposed rule change reflects this competitive environment.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act³⁴ and Rule 19b-4(f)(6) thereunder.³⁵ Because the proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6)(iii) thereunder.³⁶

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)³⁷ of the Act to determine whether the proposed rule change should be approved or disapproved.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-87686; File No. SR-NYSECHX-2019-23]

Self-Regulatory Organizations; NYSE Chicago, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Amending the Fee Schedule of NYSE Chicago, Inc. Related to Co-Location Services

December 9, 2019.

Pursuant to Section 19(b)(1) ¹ of the Securities Exchange Act of 1934 (the “Act”) ² and Rule 19b-4 thereunder, ³ notice is hereby given that, on November 25, 2019, the NYSE Chicago, Inc. (“NYSE Chicago” or the “Exchange”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend the Fee Schedule of NYSE Chicago, Inc. (the “Fee Schedule”) related to co-location services to eliminate (a) a connectivity option whose manufacturer will no longer support a key component of the network hardware, and (b) services that are no longer utilized by Users. The proposed rule change is available on the Exchange’s website at www.nyse.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend the Fee Schedule related to co-location ⁴ services offered by the Exchange to eliminate (a) a connectivity option whose manufacturer will no longer support a key component of the network hardware, and (b) services that are no longer utilized by Users. ⁵

Proposed Change

LCN 10 Gb Circuit

Among other connectivity options, Users are able to connect to the Exchange over the Liquidity Center Network (“LCN”), a local area network available in the data center. ⁶ LCN access is available at 1, 10 and 40 Gb bandwidth capacities. Currently, Users have two 10 Gb options for LCN access:

- LCN 10 Gb, which has been in place since 2010, ⁷ and
- LCN 10 Gb LX, which was introduced in 2013. ⁸

⁴ The Exchange initially filed rule changes relating to its co-location services with the Securities and Exchange Commission (“Commission”) in October 2019. See Securities Exchange Act Release No. 87408 (October 28, 2019), 84 FR 58778 (November 1, 2019) (SR-NYSECHX-2019-27) (“Co-location Notice”). The Exchange operates a data center in Mahwah, New Jersey (the “data center”) from which it provides co-location services to Users.

⁵ For purposes of the Exchange’s co-location services, a “User” means any market participant that requests to receive co-location services directly from the Exchange. See Securities Exchange Act Release No. See *id.* at note 6. As specified in the Fee Schedule, a User that incurs co-location fees for a particular co-location service pursuant thereto would not be subject to co-location fees for the same co-location service charged by the Exchange’s affiliates the New York Stock Exchange LLC (“NYSE”), NYSE American LLC (“NYSE American”), NYSE Arca, Inc. (“NYSE Arca”), and NYSE National, Inc. (“NYSE National”) and together, the “Affiliate SROs”). See *id.* at 58779.

⁶ The other local area network is the internet protocol (“IP”) network. See Co-location Notice, *supra* note 4, at 58780.

⁷ See Securities Exchange Act Release Nos. 62960 (September 21, 2010), 75 FR 59310 (September 27, 2010) (SR-NYSE-2010-56); 62961 (September 21, 2010), 75 FR 59299 (September 27, 2010) (SR-NYSEAmex-2010-80); and 63275 (November 8, 2010), 75 FR 70048 (November 16, 2010) (SR-NYSEArca-2010-100). In July 2018, the Exchange and its direct parent company were acquired by NYSE Group, Inc. As a result, the Exchange and the Affiliate SROs are direct or indirect subsidiaries of NYSE Group, Inc. and, indirectly, Intercontinental Exchange, Inc. See Exchange Act Release No. 83635 (July 13, 2018), 83 FR 34182 (July 19, 2018) (SR-CHX-2018-004); see also Exchange Act Release No. 83303 (May 22, 2018), 83 FR 24517 (May 29, 2018) (SR-CHX-2018-004).
