

implementation schedule of the rule changes, any impact on competition that does arise from the revised implementation schedule is necessary to reflect concerns about market conditions in light of the COVID-19 pandemic.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act⁹ and Rule 19b-4(f)(6) thereunder.¹⁰

A proposed rule change filed pursuant to Rule 19b-4(f)(6) under the Act¹¹ normally does not become operative for 30 days after the date of its filing. However, Rule 19b-4(f)(6)(iii)¹² permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative upon filing. The Exchange stated that such waiver would ensure that there is no confusion about the implementation schedule for the rule change. The Exchange further stated that it believes waiver is consistent with the protection of investors and the public interest because it would merely provide a delay, until September 1, 2020, in the implementation of an approved rule change due to the highly unusual market conditions resulting from the ongoing spread of the COVID-19 virus. The Exchange further noted that investors will continue to be protected by Nasdaq's other bid price rules, which will continue to apply during that time,

subject to a temporary tolling of compliance periods through and including June 30, 2020, as described above.

The Commission notes that the proposal is a temporary measure to delay the effectiveness of an approved rule change until September 1, 2020 in light of current market conditions. Further, Nasdaq's existing bid price rules will continue to apply, including its ability to deny a company a second compliance period if it does not appear to Nasdaq that it is possible for the company to cure the deficiency. The waiver of the operative delay will also help to ensure that all companies have the same rules applied to them as to bid price deficiencies as of the date of the filing of this rule change to delay the implementation date of the new rules. For these reasons, the Commission believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest. Therefore, the Commission hereby waives the operative delay and designates the proposed rule change operative upon filing.¹³

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments

Form N-8B-4

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) ("PRA"), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget ("OMB") requests for extension of the previously approved collection of information discussed below.

Form N-8B-4 (17 CFR 274.14) is the form used by face-amount certificate companies to comply with the filing and disclosure requirements imposed by Section 8(b) of the Investment Company Act of 1940 (15 U.S.C. 80a-8(b)). Among other items, Form N-8B-4 requires disclosure of the following information about the face-amount certificate company: Date and form of organization; controlling persons; current business and contemplated changes to the company's business; investment, borrowing, and lending policies, as well as other fundamental policies; securities issued by the company; investment adviser; depositaries; management personnel; compensation paid to directors, officers, and certain employees; and financial statements. The Commission uses the information provided in the collection of information to determine compliance with Section 8(b) of the Investment Company Act of 1940.

Form N-8B-4 and the burden of compliance have not changed since the last approval. Each registrant files Form N-8B-4 for its initial filing and does not file post-effective amendments to Form N-8B-4.¹ Commission staff estimates that no respondents will file Form N-8B-4 each year. There is currently only one existing face-amount certificate company, and no face-amount certificate companies have filed a Form N-8B-4 in many years. No new face-amount certificate companies have been established since the last OMB information collection approval for this form, which occurred in 2017. Accordingly, the staff estimates that, each year, no face-amount certificate companies will file Form N-8B-4, and that the total burden for the information collection is zero hours. Although Commission staff estimates that there is no hour burden associated with Form

N-8B-4, the staff is requesting a burden of one hour for administrative purposes. Estimates of the burden hours are made solely for the purposes of the PRA and are not derived from a comprehensive or even a representative survey or study of the costs of SEC rules and forms.

The information provided on Form N-8B-4 is mandatory. The information provided on Form N-8B-4 will not be kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

The public may view background documentation for this information collection at the following website: www.reginfo.gov. Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function. Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to (i) www.reginfo.gov/public/do/PRAMain and (ii) David Bottom, Director/Chief Information Officer, Securities and Exchange Commission, c/o Cynthia Roscoe, 100 F Street NE, Washington, DC 20549, or by sending an email to: PRA_Mailbox@sec.gov.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-88876; File No. SR-CboeEDGX-2020-020]

Self-Regulatory Organizations; Cboe EDGX Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend Its Fees Schedule

May 14, 2020.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on May 1, 2020, Cboe EDGX Exchange, Inc. (the "Exchange" or "EDGX") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to

solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

Cboe EDGX Exchange, Inc. (the "Exchange" or "EDGX Options") is filing with the Securities and Exchange Commission ("Commission") a proposed rule change to amend its Fees Schedule. The text of the proposed rule change is provided in Exhibit 5.

The text of the proposed rule change is also available on the Exchange's website (http://markets.cboe.com/us/options/regulation/rule_filings/edgx/), at the Exchange's Office of the Secretary, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend its Fees Schedule for its equity options platform (EDGX Options), effective May 1, 2020.

The Exchange first notes that it operates in a highly competitive market in which market participants can readily direct order flow to competing venues if they deem fee levels at a particular venue to be excessive or incentives to be insufficient. More specifically, the Exchange is only one of 16 options venues to which market participants may direct their order flow. Based on publicly available information, no single options exchange has more than 20% of the market share and currently the Exchange represents only 4% of the market share.³ Thus, in such a low-concentrated and highly competitive market, no single options

¹ Pursuant to Section 30(b)(1) of the Act (15 U.S.C. 80a-29), each respondent keeps its registration statement current through the filing of periodic reports as required by Section 13 of the Securities Exchange Act of 1934 (15 U.S.C. 78m) and the rules thereunder. Post-effective amendments are filed with the Commission on the face-amount certificate company's Form S-1. Hence, respondents only file Form N-8B-4 for their initial registration statement and not for post-effective amendments.
