SUMMARY: The Department of Commerce (Commerce) is rescinding the administrative review of the antidumping duty (AD) order on polyester staple fiber from Korea for the period of review (POR) May 1, 2018 through April 30, 2019, based on the timely withdrawal of the requests for review.

SUPPLEMENTARY INFORMATION:

Background

On May 1, 2019, Commerce published a notice of opportunity to request an administrative review of the AD order on polyester staple fiber from Korea for the POR of May 1, 2018, through April 30, 2018.¹ On May 31, 2019, Commerce received timely-filed requests from DAK Americas LLC and Auriga Polymers, Inc. (the petitioners)² for administrative reviews of Huvis Corporation (Huvis) and Toray Chemical Korea, Inc. (Toray) and from Huvis³ for administrative review of itself, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213(b). Commerce received no other requests for administrative review.

On July 15, 2019, pursuant to these requests and in accordance with 19 CFR 351.221(c)(1)(i), Commerce published a notice initiating an administrative review of the antidumping duty order on polyester staple fiber from Korea.⁴ On July 18, 2019, the petitioners withdrew their request for an

administrative review of Toray.⁵ On August 1, 2019, the petitioners withdrew their request for an administrative review of Huvis.⁶ On August 2, 2019, Huvis withdrew its request for an administrative review of itself.⁷

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if a party that requested a review withdraws the request within 90 days of the publication date of the notice of initiation of the requested review. The petitioners and Huvis withdrew their requests within 90 days of the publication date of the notice of initiation. No other parties requested an administrative review of the order. Therefore, in accordance with 19 CFR 351.213(d)(1), we are rescinding this review in its entirety.

Assessment

Commerce intends to instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries of polyester staple fiber from Korea. Antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions to CBP 15 days after the date of publication of this notice in the **Federal Register**.

Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Certain Steel Threaded Rod From the People's Republic of China: Preliminary Results of the Antidumping Duty Administrative Review and Preliminary Determination of No Shipments; 2018-2019

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) preliminarily determines that RMB Fasteners Ltd. and IFI & Morgan Ltd. (collectively, RMB/IFI) and Certified Products International Inc. (CPI) did not have any shipments of subject merchandise during the period of review (POR), and that the 172 remaining companies subject to this administrative review should be treated as part of the China-wide entity because they failed to demonstrate their eligibility for a separate rate. The POR is April 1, 2018 through March 31, 2019.

DATES: Applicable December 30, 2019.

FOR FURTHER INFORMATION CONTACT: Benito Ballesteros, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-7425.

SUPPLEMENTARY INFORMATION:

Background

On June 13, 2019, Commerce published the notice of initiation of the administrative review of the antidumping duty order on certain steel threaded rod (STR) from China.¹ On June 21, 2019, CPI reported that it had no shipments during the POR.² On July

15, 2019, RMB/IFI³ submitted a no shipments certification and a separate rate certification.⁴

For a complete description of the events that followed the initiation of this administrative review, see the Preliminary Decision Memorandum.⁵ A list of topics included in the Preliminary Decision Memorandum is included as Appendix II to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>, and to all parties in the Central Records Unit, Room B8024 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <http://enforcement.trade.gov/frn/>. The signed and the electronic versions of the Preliminary Decision Memorandum are identical in content.

Scope of the Order

The product covered by this review is STR from China. For a full description of the scope, see the Preliminary Decision Memorandum, dated concurrently with and hereby adopted by this notice.⁶

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(B) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213.

Preliminary Determination of No Shipments

Based on the available record information, Commerce preliminarily determines that these companies had no shipments during the POR. For

³ During the investigation, Commerce found RMB/IFI to be a single entity, and because there were no changes during the POR to the facts that supported that determination, we continue to find that these companies are a part of a single entity for this administrative review. See *Certain Steel Threaded Rod from the People's Republic of China: Preliminary Determination of Sales at Less Than Fair Value*, 73 FR 58931 (October 8, 2008), unchanged in *Certain Steel Threaded Rod from the Peoples Republic of China: Final Determination of Sales at Less Than Fair Value*, 74 FR 8907 (February 27, 2009).

⁴ See RMB/IFI's Letter, "Steel Threaded Rod from the People's Republic of China—No Sales Certification and Separate Rate Certification," dated July 15, 2019.

⁵ See Memorandum, "Decision Memorandum for the Preliminary Results of the 2018-2019 Antidumping Duty Administrative Review: Certain Steel Threaded Rod from the People's Republic of China," dated concurrently with, and hereby adopted by, this notice (Preliminary Decision Memorandum).

additional information regarding this determination, see the Preliminary Decision Memorandum. Consistent with our assessment practice in non-market economy (NME) administrative reviews, Commerce is not rescinding this review for these companies, but intends to complete the review and issue appropriate instructions to Customs and Border Protection (CBP) based on the final results of the review.⁷

Separate Rates

Because no other company under review submitted a separate rate application or certification, Commerce preliminarily determines that these companies have not demonstrated their eligibility for a separate rate.⁸ For additional information, see the Preliminary Decision Memorandum.

China-Wide Entity

Commerce's policy regarding conditional review of the China-wide entity applies to this administrative review.⁹ Under this policy, the China-wide entity will not be under review unless a party specifically requests, or Commerce self-initiates, a review of the entity. Because no party requested a review of the China-wide entity, and we did not self-initiate a review, the China-wide entity rate (*i.e.*, 206.00 percent)¹⁰ is not subject to change as a result of this review. Aside from the companies discussed above, Commerce considers all other companies for which a review was requested¹¹ to be part of the China-wide entity. For additional information, see the Preliminary Decision Memorandum.

Public Comment

In accordance with 19 CFR 351.309(c), case briefs or other written comments may be submitted to the Assistant Secretary for Enforcement and Compliance no later than 30 days after the date of publication of the preliminary determination, unless the Secretary alters the time limit. Rebuttal briefs, limited to issues raised in case
