## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-89261; File No. SR-MIAX-2020-24]

### Self-Regulatory Organizations; Miami International Securities Exchange, LLC; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Temporarily Extend Filing Deadlines for Certain Supervision-Related Reports

July 8, 2020.

Pursuant to the provisions of Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”) <sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on July 2, 2020, Miami International Securities Exchange, LLC (“MIAX Options” or the “Exchange”) filed with the Securities and Exchange Commission (“Commission”) a proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange is filing a proposal to amend Exchange Rule 1308, Supervision of Accounts, to temporarily extend the filing requirements for certain supervision-related reports, currently given an extension to June 30, 2020, to July 31, 2020.

The text of the proposed rule change is available on the Exchange’s website at <http://www.miaxoptions.com/rule-filings/> at MIAX Options’ principal office, and at the Commission’s Public Reference Room.

#### II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

##### A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

###### 1. Purpose

Given current market conditions, the Exchange proposes to provide its members temporary relief from filing certain supervision-related reports pursuant to Exchange Rule 1308 (Supervision of Accounts).<sup>3</sup>

The Exchange has been closely monitoring the current situation regarding the novel coronavirus (“COVID-19”) pandemic. The Exchange understands COVID-19 has placed stress on market participants’ information technology infrastructure and the required deployment of significant resources, including to implement and continuously adapt business continuity plans. On March 11, 2020, the World Health Organization characterized COVID-19 as a pandemic.<sup>4</sup> To slow the spread of the disease, federal and state officials implemented social-distancing measures, placed significant limitations on large gatherings, limited travel, and closed non-essential businesses. These measures have affected the U.S. markets.<sup>5</sup> In the United States, Level 1

<sup>3</sup> The Exchange notes that MIAX Rule 1308 is incorporated by reference into the rulebooks of MIAX PEARL, LLC (“PEARL”) and MIAX Emerald, LLC (“Emerald”). As such, the amendments to MIAX Rule 1308 proposed herein will also impact PEARL and Emerald Rules 1308. The Exchange initially filed the proposal on June 1, 2020 (SR-MIAX-2020-14). On June 4, 2020, the Exchange withdrew that filing and submitted this filing.

<sup>5</sup> “Analysts showed that we saw the fastest ‘correction’ in history (down 10% from a high), occurring in a matter of days. market wide circuit breaker halts were triggered on March 9, March 12, March 16, and March 18, 2020. While markets have seen significant declines, governments around the world are undertaking efforts to stabilize the economy and assist affected companies and their employees.<sup>6</sup> While many state governments recently relaxed some social distancing measures and permitted the limited reopening of non-essential businesses, many State governments have now paused the reopening of non-essential businesses due to increased infection rates. Significant uncertainty remains.

Amidst this continued and unprecedented market uncertainty, the Exchange sought to address potential challenges that members may face in timely meeting their obligations to submit to the Exchange annual supervision-related reports under Rule 1308(g) and (h) (“Supervision Reporting Requirements”), especially in light of unforeseen and uncertain demands on resources required to respond to COVID-19. By way of background, Exchange Rule 1308(g) requires each Exchange member that conducts a non-member customer business to submit to the Exchange a written report on the member’s supervision and compliance effort during the preceding year and on the adequacy of the member’s ongoing compliance processes and procedures. Each member that conducts a public customer options business is also required to specifically include its options compliance program in the report.<sup>7</sup> The Exchange Rule 1308(g) report is due on April 1 of each year. Exchange Rule 1308(h) requires that each member submit, by April 1 of each year, a copy of the Rule 1308(g) report to one or more control persons or, if the member has no control person, to the audit committee of its board of directors or its equivalent committee or group.<sup>8</sup>

On each of March 31, 2020 and June 4, 2020, the Exchange filed a proposal to temporarily extend the filing requirements for these annual supervision-related reports from April 1, 2020 to June 1, 2020 and from June 1,
