

system for drawing funds on approved grants. For planning grants, States must submit to NPS a progress report and request for reimbursement before they may request payments. Payments on acquisition and development projects do not require prior approval, but upon completion of an electronic payment on a given date the State must concurrently (within 24 hours) submit a completed NPS Form 10-905, "Record of Electronic Payment" to the LWCF Program offices in Washington, DC and applicable NPS Region.

Recordkeeping. To comply with the grant requirements of 2 CFR 200, States

must maintain financial records, supporting documents, statistical records, and all other records pertinent to a grant program for a period of 3 years after final payment on a project. The records must be retained beyond the 3-year period if audit findings have not been resolved. However, to comply with the LWCF Act perpetuity requirements, States must maintain sufficient records to allow them to keep track of parks and other recreation areas that have been assisted.

Abstract: The NPS administers the NRT program as authorized by section 4 of the National Trails System Act (16 U.S.C. 1243) and Secretarial Order No. 3319, which establishes National Water

The NPS uses forms 10–1002: *Application for Designation as National Water Trail* and 10–1003: *Application for Designation as National Recreation Trail*, to evaluate the applications for adherence to NRT requirements and criteria. NPS Approval of an application is based on (1) the sufficiency of information provided on the application form and in supporting documentation, such as photographs, maps, and written landowner consents that accompany the form, and (2) successfully meeting the NRT requirements and criteria. Successful applications are forwarded to the Secretary of the Interior for approval.
