*C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others*

No written comments were either solicited or received.

**III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>17</sup> and subparagraph (f)(6) of Rule 19b-4 thereunder.<sup>18</sup>

A proposed rule change filed pursuant to Rule 19b-4(f)(6) under the Act<sup>19</sup> normally does not become operative for 30 days after the date of its filing. However, Rule 19b-4(f)(6)(iii)<sup>20</sup> permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has requested that the Commission waive the 30-day operative delay so that the proposed rule change may become operative upon filing. The Commission notes that the proposed rule change would allow the Exchange, in light of the COVID-19 pandemic, to provide temporary relief for members by further extending the deadline for written reports pursuant to the Supervision Reporting Requirements from June 30, 2020, to July 31, 2020. The Commission believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest. Accordingly, the Commission hereby waives the operative delay and designates the proposed rule change operative upon filing.<sup>21</sup>

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

**IV. Solicitation of Comments**

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

*Electronic Comments*

- Use the Commission's internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an email to [rule-comments@sec.gov](mailto:rule-comments@sec.gov). Please include File Number SR-PHLX-2020-35 on the subject line.

*Paper Comments*

- Send paper comments in triplicate to Secretary, Securities and Exchange Commission, 100 F Street NE, Washington, DC 20549-1090. All submissions should refer to File Number SR-PHLX-2020-35. This file number should be included on the subject line if email is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's internet website (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for website viewing and printing in the Commission's Public Reference Room, 100 F Street NE, Washington, DC 20549 on official business days between the hours of 10:00 a.m. and 3:00 p.m. Copies of the filing also will be available for inspection and copying at the principal office of the Exchange. All comments received will be posted without change. Persons submitting comments are cautioned that we do not redact or edit personal identifying information from comment submissions. You should submit only information that you wish to make available publicly. All

submissions should refer to File Number SR-PHLX-2020-35 and should be submitted on or before August 4, 2020.

July 8, 2020.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on July 7, 2020, Nasdaq ISE, LLC ("ISE" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange.<sup>3</sup> The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

**I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change**

The Exchange proposes to further extend the filing requirements for certain written reports pursuant to Options 10, Section 7, currently due June 30, 2020, to July 31, 2020.

<sup>18</sup> 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

## II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

### A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

#### 1. Purpose

Given current and ongoing market conditions, the Exchange proposes to provide its members with continued temporary relief from filing certain supervision-related reports pursuant to Options 10, Section 7 (Supervision of Accounts).<sup>4</sup>

In December 2019, COVID-19 began to spread and disrupt company operations and supply chains and impact consumers and investors, resulting in a dramatic slowdown in production and spending.<sup>5</sup> By March 11, 2020, the World Health Organization characterized COVID-19 as a pandemic.<sup>6</sup> To slow the spread of the disease, federal and state officials implemented social-distancing measures, placed significant limitations on large gatherings, limited travel, and

closed non-essential businesses. These measures have affected the U.S. markets.<sup>7</sup> In the United States, Level 1 market wide circuit breaker halts were triggered on March 9, March 12, March 16, and March 18, 2020. While markets have seen significant declines, governments around the world are undertaking efforts to stabilize the economy and assist affected companies and their employees.<sup>8</sup> While many state governments recently relaxed some social distancing measures and permitted the limited reopening of non-essential businesses, many state governments have now paused the reopening of non-essential businesses due to increased infection rates. Significant uncertainty remains.

Amidst this continued and unprecedented market uncertainty, the Exchange sought to address potential challenges that members may face in timely meeting their obligations to submit to the Exchange annual supervision-related reports under Options 10, Sections 7(g) and (h) ("Supervision Reporting Requirements"), especially in light of unforeseen and uncertain demands on resources required to respond to COVID-19. Options 10, Section 7(g) requires each Exchange member that conducts a non-member customer business to submit to the Exchange a written report on the member's supervision and compliance effort during the preceding year and on the adequacy of the member's ongoing compliance processes and procedures. Each member that conducts a public customer options business is also required to specifically include its options compliance program in the report.<sup>9</sup> The Section 7(g) report is due on April 1 of each year. Options 10, Section 7(h) requires that each member submit, by April 1 of each year, a copy of the Section 7(g) report to one or more control persons or, if the member has no control person, to the audit committee

of its board of directors or its equivalent committee or group.<sup>10</sup>

On each of March 31, 2020 and June 2, 2020, the Exchange filed a proposal to temporarily extend the filing requirements for these annual supervision-related reports from April 1, 2020 to June 1, 2020, and from June 1, 2020 to June 30, 2020, respectively.<sup>11</sup> In light of the continued market uncertainty, the Exchange is again seeking to address potential challenges that certain members continue to face in timely meeting their obligations to submit to the Exchange annual supervision-related reports. Accordingly, the Exchange proposes to provide additional, temporary relief for members from the Supervision Reporting Requirements by further extending the June 30, 2020 filing deadlines described above to July 31, 2020. The Exchange believes that this additional, temporary relief will permit those members who have been unable to submit their annual supervision-related reports to continue to focus on running their businesses and the health crisis caused by the COVID-19 pandemic, including its impact on their employees, customers, and communities.

The Exchange notes that in response to COVID-19, the Financial Industry Reporting Authority ("FINRA") recently reissued temporary relief for member firms by, among other things, extending the deadline for submitting its supervision-related reports (FINRA Rule 3120 Report and FINRA Rule 3130 certification) from its second extension deadlines of June 30, 2020<sup>12</sup> to July 31, 2020.<sup>13</sup> The Exchange notes, too, that at least one other options exchange that had twice previously extended the supervisory report deadlines from April 1 to June 1 and then from June 1 to June 30 for its members,<sup>14</sup> also plans to

<sup>4</sup> The Exchange notes that ISE Options 10, including Section 7, is incorporated by reference into the rulebooks of Nasdaq GEMX, LLC ("GEMX") and Nasdaq MRX, LLC ("MRX"). As such, the amendments to ISE Options 10, Section 7 proposed herein will also impact GEMX and MRX Options 10, Section 7.

submit a similar filing to, again, extend its deadlines through July 31, 2020. In light of these deadline extensions, the Exchange believes that a consistent regulatory approach is important and therefore that extending its deadline would avoid unnecessary confusion and added burden among entities that are members of both the Exchange and FINRA because the deadline to submit supervisory reports would remain uniform.

## 2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,<sup>15</sup> in general, and furthers the objectives of Section 6(b)(5) of the Act,<sup>16</sup> in particular, in that it is designed to promote just and equitable principles of trade; to remove impediments to and perfect the mechanism of a free and open market and a national market system; and, in general to protect investors and the public interest. As a result of continued uncertainty related to the ongoing spread of the COVID-19 virus, the U.S. exchanges are experiencing unprecedented market volatility. The proposed rule change would allow the Exchange to continue to provide temporary relief to those members who continue to be unable to comply with the Supervision Reporting Requirements, which were amended twice already—most recently to require members to provide written reports to the Exchange by June 30, 2020, and further extend that deadline to July 31, 2020. The Exchange believes that this additional, temporary relief is necessary and appropriate in the public interest, and consistent with the protection of investors, given the unforeseen and uncertain challenges, including business continuity implementation and market volatility, posed by COVID-19 to members that must comply with the Supervision Reporting Requirements. The Exchange also believes that it is necessary and appropriate in the public interest, and consistent with the protection of investors, because FINRA has also re-extended twice the time for its members to file supervision-related reports, most recently from June 30, 2020 to July 31, 2020.<sup>17</sup> Additionally, as indicated above, at least one other options exchange that had previously extended the supervisory report deadlines twice, from April 1 to June 1 and again from June 1 to June 30 for its members,<sup>18</sup> plans to submit a similar filing to re-extend its deadlines through

July 31, 2020. Extending the deadline, therefore, will ensure that those entities that are members of both FINRA and the Exchange have a uniform deadline to submit their supervisory reports.

### *B. Self-Regulatory Organization's Statement on Burden on Competition*

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change is not designed to address any competitive issues but rather to provide temporary relief for all members that are required to comply with the Supervision Reporting Requirements.

### *C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others*

No written comments were either solicited or received.

## III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>19</sup> and subparagraph (f)(6) of Rule 19b-4 thereunder.<sup>20</sup>

A proposed rule change filed pursuant to Rule 19b-4(f)(6) under the Act<sup>21</sup> normally does not become operative for 30 days after the date of its filing. However, Rule 19b-4(f)(6)(iii)<sup>22</sup> permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has requested that the Commission waive the 30-day operative delay so that the proposed rule change may become operative upon filing. The Commission notes that the proposed rule change would allow the Exchange, in light of the COVID-19 pandemic, to provide temporary relief for members by further

extending the deadline for written reports pursuant to the Supervision Reporting Requirements from June 30, 2020, to July 31, 2020. The Commission believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest. Accordingly, the Commission hereby waives the operative delay and designates the proposed rule change operative upon filing.<sup>23</sup>

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

## SMALL BUSINESS ADMINISTRATION

### Data Collection Available for Public Comments

**ACTION:** 60-Day notice and request for comments.

**SUMMARY:** The Small Business Administration (SBA) intends to request approval, from the Office of Management and Budget (OMB), for the collection of information described below. The Paperwork Reduction Act (PRA) of 1995 requires federal agencies to publish a notice in the **Federal Register** concerning each collection of information before submission to OMB and to allow 60 days for public comment in response to the notice. This notice complies with that requirement.

**DATES:** Submit comments on or before September 14, 2020.

**ADDRESSES:** Send all comments to the U.S. Small Business Administration's Office of Financial Assistance dedicated email box at [PPP-IFR@sba.gov](mailto:PPP-IFR@sba.gov).

**FOR FURTHER INFORMATION CONTACT:** Gregorius Suryardi, Financial and Loan Specialist, Office of Financial Assistance at [gregorius.suryardi@sba.gov](mailto:gregorius.suryardi@sba.gov) or Mary Frias, Loan Specialist, Office of Financial Assistance at [mary.frias@sba.gov](mailto:mary.frias@sba.gov) or Curtis B. Rich, Management Analyst, (202) 205-7030, [curtis.rich@sba.gov](mailto:curtis.rich@sba.gov).

**SUPPLEMENTARY INFORMATION:** Section 1102 of the Coronavirus Aid, Relief, and

Economic Security (CARES) Act, Public Law 116-136 (3/27/2020), authorized SBA to guarantee loans made by banks or other financial institutions under a new temporary program titled the "Paycheck Protection Program" (PPP). These loans are available to eligible small businesses; certain non-profit organizations, veterans' organizations, and Tribal business concerns; independent contractors; and self-employed individuals adversely impacted by the COVID-19 emergency. Proceeds of a PPP loan may be used for payroll costs, including costs related to the continuation of group health care benefits during periods of paid sick, medical or family leave, and insurance premiums; rent payments; mortgage interest payments, and payments of interest on other debt incurred prior to February 15, 2020, and to refinance certain SBA Economic Injury Disaster Loans received between January 31, 2020 and April 3, 2020 or used for the same purpose. Under section 1106(b) of the CARES Act, a loan may be forgiven in full or in part if the small business uses the proceeds for payroll costs, payment of interest on a covered mortgage, payment on any covered rent obligation, and any covered utility payment.

In order to make the financial assistance available as expeditiously as possible after the PPP was authorized, SBA obtained emergency approval, including waiver of the 60-day public comment notice, of the information collection necessary to implement the program. That approval will expire on October 30, 2020. SBA will request OMB's approval to extend this expiration date to enable the agency to remain in compliance with the PRA as it continues to collect information from the PPP participants.

(a) *Solicitation of Public Comments:* SBA is requesting comments on (i) Whether the collection of information is necessary for the agency to properly perform its functions; (ii) whether the burden estimates are accurate; (iii) whether there are ways to minimize the burden, including through the use of automated techniques or other forms of information technology; and (iv) whether there are ways to enhance the quality, utility, and clarity of the information.

(b) *Summary of Information Collection:*

Title: Paycheck Protection Program.  
OMB Control Number: 3245-0407.

(i) SBA Form 2483, *Paycheck Protection Program Borrower Application Form*. SBA estimates approximately 6.5 million loan applicants will submit this form (or the

lender's equivalent form) to PPP participating lenders to provide information concerning the purpose of the loan, applicant's history of any prior government debt, information regarding 20.0 percent or more owners of the business, including criminal history. The estimated time to complete this form is 8 minutes for a total of 866,667 hours. Lenders will use the information to evaluate whether applicants are eligible to receive a PPP loan and if loan proceeds will be used for eligible purposes.

(ii) SBA Form 2484, *Paycheck Protection Program Lender's Application for 7(a) Guaranty*. Lenders making PPP loans are required to submit the information concerning the eligibility of each loan applicant and the use of proceeds, and also the loan terms and conditions. SBA estimates that the 7,000 lenders will take about 25 minutes to gather and complete the requested information, for a total estimated burden of 2,708,333 hours. SBA uses the information provided by lenders to ensure the loan was made in compliance with all applicable laws and PPP loan program requirements issued by SBA.

(iii) SBA Form 3506, *CARES Act Section 1102 Lender Agreement*. This information is submitted by Federally Insured Depository Institutions, federally insured credit unions, and Farm Credit System regulated agricultural lenders (other than the Federal Agricultural Mortgage Corporation) that do not already participate in SBA's 7(a) loan program but are seeking to participate in the PPP. SBA and the Department of Treasury use the information to determine whether the financial institutions meet the eligibility requirements to participate in the PPP. An estimated 1,000 lending institutions will submit this form and will need approximately 10 minutes to review and complete the information for a total estimated burden of 167 hours.

(iv) SBA Form 3507, *CARES Act Section 1102 Lender Agreement—Non-Bank and Non-Insured Depository Institution Lenders*. This form collects information from depository or non-depository institutions and certain service providers that have contracted with insured depository institutions to support their lending activities. SBA and the Department of Treasury use the information to determine the eligibility of Non-Bank and Non-Insured Depository Institution Lenders to make PPP loans. SBA estimates that 250 institutions will apply and that it will take approximately 25 minutes for them to review, complete and submit the
