We will end the hearing after everyone scheduled to speak and others present in the audience who wish to speak, have been heard.

Public Meeting

If only one person requests an opportunity to speak, we may hold a public meeting rather than a public hearing. If you wish to meet with us to discuss the amendment, please request a meeting by contacting the person listed under **FOR FURTHER INFORMATION CONTACT**. All such meetings are open to the public and, if possible, we will post notices of meetings at the locations listed under **ADDRESSES**. IV. Statutory and Executive Order Reviews

Executive Order 12866—Regulatory Planning and Review and Executive Order 13563—Improving Regulation and Regulatory Review

Executive Order 12866 provides that the Office of Information and Regulatory Affairs in the Office of Management and Budget (OMB) will review all significant rules. Pursuant to OMB guidance, dated October 12, 1993, the approval of State program amendments is exempted from OMB review under Executive Order 12866. Executive Order 13563, which reaffirms and supplements Executive Order 12866, retains this exemption.

Other Laws and Executive Orders Affecting Rulemaking

When a State submits a program amendment to OSMRE for review, our regulations at 30 CFR 732.17(h) require us to publish a notice in the **Federal Register** indicating receipt of the proposed amendment, its text or a summary of its terms, and an opportunity for public comment. We conclude our review of the proposed amendment after the close of the public comment period and determine whether the amendment should be approved, approved in part, or not approved. At that time, we will also make the determinations and certifications required by the various laws and

executive orders governing the rulemaking process and include them in the final rule.

- II. Description of the Proposed Amendment
- III. Public Comment Procedures
- IV. Statutory Orders and Executive Reviews

I. Background on the West Virginia Program

Section 503(a) of the Act permits a State to assume primacy for the regulation of surface coal mining and reclamation operations on non-Federal and non-Indian lands within its borders by demonstrating that its program includes, among other things, State laws and regulations that govern surface coal mining and reclamation operations in accordance with the Act and consistent with the Federal regulations. See 30 U.S.C. 1253(a)(1) and (7). On the basis of these criteria, the Secretary of the Interior conditionally approved the West Virginia program on January 21, 1981. You can find background information on the West Virginia program, including the Secretary's findings, the disposition of comments, and conditions of approval of the West Virginia program in the January 21, 1981, **Federal Register** (46 FR 5915). You can also find later actions concerning West Virginia's program and program amendments at 30 CFR 948.10, 948.12, 948.13, 948.15, and 948.16.

II. Description of the Proposed Amendment

West Virginia submitted two letters, dated May 2, 2018, (Administrative Record Nos. 1613A and 1613B), amending its program under SMCRA (30 U.S.C. 1201 *et seq.*). This amendment involves revisions to statutory provisions at W. Va. Code Chapter 22-3 and regulatory provisions at W. Va. CSR Section 38-2. The revised statutory provisions were enacted through West Virginia Senate Bill 163, which was signed by the Governor on February 27, 2018. The statutory provisions involve the method in which permit applications are advertised. The regulatory provisions involve non-substantive revisions to definitions, reclamation, environmental security account for water quality, water quality enhancement, and modifying sections on incremental bonding, requirement to release bonds, forfeiture of bonds, and effluent limitations.

III. Public Comment Procedures

Under the provisions of 30 CFR 732.17(h), we are seeking your comments on whether the amendment satisfies the applicable program approval criteria of 30 CFR 732.15. If we approve the amendment, it will become part of the State program.

Electronic or Written Comments

If you submit written or electronic comments on the proposed rule during the 30-day comment period, they should be specific, confined to issues pertinent to the proposed regulations, and explain the reason for any recommended change(s). We will arrange the location and time of the hearing with those persons requesting the hearing. If no one requests an opportunity to speak, we will not hold a hearing.

To assist the transcriber and ensure an accurate record, we request, if possible, that each person who speaks at the public hearing provide us with a written

copy of his or her comments. The public hearing will continue on the specified date until everyone scheduled to speak has been given an opportunity to be heard. If you are in the audience and have not been scheduled to speak and wish to do so, you will be allowed to speak after those who have been scheduled. We will end the hearing after everyone scheduled to speak and others present in the audience who wish to speak, have been heard.

Public Meeting

AGENCY: Coast Guard, DHS.

ACTION: Notice of Proposed Rulemaking.

II. Background, Purpose, and Legal Basis

The Captain of the Port Sector Ohio Valley (COTP) proposes to update the current list of recurring special local regulations found in Table 1 of 33 CFR 100.801 for events occurring within the Sector Ohio Valley area of responsibility within the Coast Guard’s Eighth District region.

This rule updates the list of annually recurring special local regulations under 33 CFR 100.801, Table 1 for annual special local regulations in the COTP zone. The Coast Guard will address all comments through response via the rulemaking process, including additional revisions to this regulatory section. Additionally, these recurring events are provided to the public through local means and planned by the local communities.

The current list of annual and recurring special local regulations occurring in Sector Ohio Valley’s AOR is published under 33 CFR part 100.801, Table 1. The most recent list was created May 2, 2019 via 84 FR 18727.

The Coast Guard’s authority for establishing a special local regulation is contained at 46 U.S.C. 70041(a). The

Coast Guard is amending and updating the special local regulations under 33 CFR part 100.801, Table 1 to include the most up to date list of recurring special local regulations for events held on or around navigable waters within Sector Ohio Valley’s AOR. These events include marine parades, boat races, swim events, and other marine related events. The current list under 33 CFR 100.801, Table 1 requires amendment to provide new information on existing special local regulations, add new special local regulations expected to recur annually or biannually, and remove special local regulations that are no longer required. Issuing individual regulations for each new special local regulation, amendment, or removal of an existing special local regulation creates unnecessary administrative costs and burdens. This single proposed rulemaking will considerably reduce administrative overhead and provide the public with notice through publication in the **Federal Register** of recurring special local regulations.

III. Discussion of Proposed Rule

Part 100 of 33 CFR contains regulations to provide effective control over regattas and marine parades conducted on U.S. navigable waters in order to ensure the safety of life in the regatta or marine parade area. Section 100.801 provides the regulations applicable to events taking place in the Eighth Coast Guard District and also provides a table listing each event and special local regulation. This section requires amendment from time to time to properly reflect the recurring special local regulations. This proposed rule updates § 100.801, Table 1 for Sector Ohio Valley.

This proposed rule adds 8 new recurring special local regulation, and amends the dates and or regulated areas for 29 recurring special local regulations already listed.

This proposed rule would add 8 new recurring special local regulation in Table 1 of § 100.801 for Sector Ohio Valley, as follows:

Date	Event/sponsor	Ohio Valley location	Regulated area
2 days—First or second week of October.	Head of the Ohio Rowing Race	Pittsburgh, PA	Allegheny River, Mile 0.0–3.0 (Pennsylvania).
3 days—The weekend of Labor Day.	Portsmouth Boat Race/Break-water Powerboat Association.	Portsmouth, OH	Ohio River, Mile 355.5–356.8 (Ohio).
3 days—One weekend in April ...	Big 10 Invitational Regatta	Oak Ridge, TN	Clinch River, Mile 48.5–52.0 (Tennessee).
