Framework Amendment 9 to the Coastal Migratory Pelagics FMP

The draft amendment currently addresses commercial Spanish mackerel trip limits in the Atlantic Northern Zone (New York/Connecticut/Rhode Island line to the North Carolina/South Carolina line). Stakeholders have expressed concern about closures to commercial Spanish mackerel harvest in federal waters off the Atlantic Northern Zone. Framework Amendment 9 proposes a trip limit reduction in the Northern Zone to help extend the commercial Spanish mackerel season in federal waters.

During the public hearings, Council staff will present an overview of the amendment and will be available for informal discussions and to answer questions via webinar. Members of the public will have an opportunity to go on record to record their comments for consideration by the Council.
