The meeting will begin at 11:45 a.m. and end at 1:00 p.m. EST. The meeting will be partially closed to the public from 12:00 p.m. to 1:00 p.m. EST for the discussion, examination, and reference to the research applications and scientific review. The objective of the Board is to provide for the fair and equitable selection of the most meritorious research projects for support by VA research funds and to offer advice for research program officials on program priorities and policies. The ultimate objective of the Board is to ensure the high quality and mission relevance of VA's legislatively mandated Health

Services Research and Development program.

Board members advise the Director, Health Services Research and Development Service and the Chief Research and Development Officer on the scientific and technical merit, the mission relevance, and the protection of human subjects of Health Services Research and Development proposals. The Board does not consider grants, contracts, or other forms of extramural research.

Members of the public who wish to attend the open portion of the teleconference session from 11:45 a.m. to 12:00 p.m. EST may dial 1 (800) 767-1750, participant code 66422.
