

proposes to delete references in the Fee Schedule to the “Penny Pilot” replace those references throughout the Fee Schedule with “Penny Program.” The Penny Program is set to become operative on July 1, 2020. The proposed changes would be to references to “Penny Pilot” in Section 1(b) of the Fee Schedule. The Exchange does not propose to amend or change any of its fees. The purpose of these changes is to provide uniformity between the Exchange’s rules and the Fee Schedule.

The proposed changes to the Fee Schedule would become operative on July 1, 2020, upon the expiration of the Penny Pilot, in accordance with the Penny Program becoming operational.

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Act and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.⁴ Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)⁵ requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. Additionally, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)⁶ requirement that the rules of an exchange not be designed to permit unfair discrimination between customers, issuers, brokers, or dealers.

The Exchange believes the proposed changes promote just and equitable principles of trade and remove impediments to and perfect the mechanism of a free and open market and a national market system because the proposed changes make clarifying, non-substantive edits to the Fee Schedule, and conform the Fee Schedule to the Exchange’s rulebook. The Exchange believes that these proposed changes will provide greater clarity to Members and the public regarding the Exchange’s Fee Schedule and that it is in the public interest for the Fee Schedule to be accurate and

concise so as to eliminate the potential for confusion.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change is not a competitive filing but rather is designed to remedy minor non-substantive issues and provide added clarity to the Fee Schedule in order to avoid potential confusion on the part of market participants. In addition, the Exchange does not believe the proposal will impose any burden on inter-market competition as the proposal does not address any competitive issues and is intended to protect investors by providing further transparency regarding the Exchange’s Fee Schedule.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act,⁷ and Rule 19b-4(f)(2)⁸ thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

Rule 17f-2(e), SEC File No. 270-37, OMB
Control No. 3235-0031

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 ("PRA") (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the existing collection of information provided for in Rule 17f-2(e) (17 CFR 240.17f-2(e)), under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*). The Commission plans to submit this existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Rule 17f-2(e) requires every member of a national securities exchange, broker, dealer, registered transfer agent, and registered clearing agency ("covered entities") claiming an exemption from the fingerprinting requirements of Rule 17f-2 to make and keep current a statement entitled "Notice Pursuant to Rule 17f-2" ("Notice") containing the information specified in paragraph (e)(1) to support their claim of exemption.

Rule 17f-2(e) contains no filing requirement. Instead, paragraph (e)(2) requires covered entities to keep a copy of the Notice in an easily accessible place at the organization's principal office and at the office employing the persons for whom exemptions are claimed and to make the Notice available upon request for inspection by the Commission, appropriate regulatory agency (if not the Commission) or other designated examining authority. Notices prepared pursuant to Rule 17f-2(e) must be maintained for as long as the covered entity claims an exemption from the fingerprinting requirements of Rule 17f-2. The recordkeeping requirement under Rule 17f-2(e) assists the Commission and other regulatory agencies with ensuring compliance with Rule 17f-2.

We estimate that approximately 75 respondents will incur an average burden of 30 minutes per year to comply with this rule, which represents the time it takes for a staff person at a covered entity to properly document a claimed exemption from the fingerprinting requirements of Rule 17f-2 in the required Notice and to properly retain the Notice according to the entity's record retention policies and procedures. The total annual burden for all covered entities is approximately 38 hours (75 entities \times .5 hours, rounded up).

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper

performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.

Please direct your written comments to: David Bottom, Director/Chief Information Officer, Securities and Exchange Commission, c/o Cynthia Roscoe, 100 F Street NE, Washington, DC 20549, or send an email to: PRA_Mailbox@sec.gov.

Dated: July 13, 2020.

J. Matthew DeLesDernier,
Assistant Secretary.
