D. Training Webinars

As in prior years, Treasury will hold four separate training sessions corresponding to the four reporting templates that will be used by insurers (Small Insurers, Non-Small Insurers, Captive Insurers, and Alien Surplus Lines Insurers). The webinars will be held on April 13 and April 14, 2020 to assist reporting insurers in responding to the 2020 TRIP Data Call, with each webinar focusing on a specific reporting template. Specific times and details concerning participation in the webinars will be made available on the TRIP data collection website, and recordings of each webinar will be made available on the website following each training session.

III. 2020 TRIP Data Call

Treasury, through an insurance statistical aggregator, will accept group or insurer registration forms through <https://tripsection111data.com>. Registration is mandatory for all insurers participating in the 2020 TRIP Data Call. Upon registration, the

aggregator will transmit individualized data collection forms (in Excel format) to the reporting group or insurer via a secure file transfer portal. The reporting group or insurer may transmit a complete data submission via the same portal using either the provided Excel forms or a .csv file.¹³

Copies of the instructions and data collection forms are available on Treasury's website in read-only format. Reporting insurers will obtain the fillable reporting forms directly from the data aggregator only after registering for the data collection process.

Reporting insurers are required to register and submit complete data to Treasury no later than May 15, 2020. Because of the statutory reporting deadline for Treasury's 2020 Program Effectiveness Report to Congress, no extensions will be granted. Reporting insurers can ask the data aggregator questions about registration, form completion, and submission at tripsection111data@iso.com. Reporting insurers may also submit questions to the Treasury contacts listed above. Questions regarding submission of data to state insurance regulators should be directed to the appropriate state insurance regulator or the NAIC.

All data submitted to the aggregator is subject to the confidentiality and data protection provisions of TRIA and the

Program Rules, as well as to section 552 of title 5, United States Code, including any exceptions thereunder. In accordance with the Paperwork Reduction Act (44 U.S.C. 3501–3521), the information collected through the web portal has been approved by OMB under Control Number 1505–0257. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number.
