

Need help paying rent?

Emergency rental assistance is available to low-income Hennepin County residents.

You may qualify for help paying rent if you:

- Rent your housing anywhere in Hennepin County
- Had household income below 50% of the area median income (about \$46,550 for a household of three) before COVID-19
- Lost income due to COVID-19: that has not been replaced through unemployment insurance or other emergency assistance programs
- Can't afford your housing costs this month
- Are not currently receiving Section 8 or other rental assistance
