

Coronavirus Pandemic Response: Weekly Regional Summary

Wednesday, June 17, 2020

Regional Response

Region I

Connecticut

Critical supplies delivered: 251,186 N95 respirators, 3.4 million gloves, 200,469 face shields, 965,824 surgical masks and 350 ventilators.

- As of June 12, FEMA has obligated more than \$33.1 million in federal support to Connecticut.
- As of June 17, one Battelle N95 decontamination unit is operational in the New Britain/New Haven area.
- A phased reopening is underway.

Maine

Critical supplies delivered: 263,787 N95 respirators, 230,914 gloves, 42,801 face shields and 234,393 surgical masks.

- As of June 12, FEMA has obligated more than \$11.7 million in federal support to Maine.
- A phased reopening is underway.

Massachusetts

Critical supplies delivered: 1.7 million N95 respirators, 564,408 gloves, 369,557 face shields, 737,120 surgical masks and 400 ventilators.

- As of June 12, FEMA has obligated more than \$73.2 million in federal support to Massachusetts.
- As of June 17, one Battelle N95 decontamination unit is operational in Boston/Somerville area.
- A phased reopening is underway.

New Hampshire

Critical supplies delivered: 263,442 N95 respirators, 217,612 gloves, 42,697 face shields and 253,849 surgical masks.

- As of June 12, FEMA has obligated more than \$17.8 million in federal support to New Hampshire.
- A phased reopening is underway.

Rhode Island

Critical supplies delivered: 233,647 N95 respirators, 376,926 gloves, 69,905 face shields, 438,003 surgical masks and 100 ventilators.

- As of June 12, FEMA has obligated more than \$30.0 million dollars in federal support to Rhode Island.

- As of June 17, one Battelle N95 decontamination unit is operational in the North Kingston/Providence area.
- A phased reopening is underway.

Vermont

Critical supplies delivered: 182,940 N95 respirators, 384,368 gloves, 67,875 face shields and 345,702 surgical masks.

- As of June 12, FEMA has obligated more than \$11.4 million in federal support to Vermont.
- A phased reopening is underway.

Region 2

New York

Critical supplies delivered: 10.1 million N95 respirators, 3.0 million gloves, 590,902 face shields, 2.6 million surgical masks and 4,540 ventilators.

- As of June 12, FEMA has obligated more than \$1.1 billion in federal support to New York.
- As of June 17, two Battelle N95 decontamination units are located in New York.
- A phased reopening is underway.

New Jersey

Critical supplies delivered: 3.7 million N95 respirators, 13.1 million gloves, 1.2 million face shields, 2.0 million surgical masks and 1,550 ventilators.

- As of June 12, FEMA has obligated more than \$454.7 million in federal support to New Jersey.
- As of June 17, one Battelle N95 decontamination unit is located in Meadowlands.
- A phased reopening is underway.

Puerto Rico

Critical supplies delivered: 516,434 N95 respirators, 980,908 gloves, 143,723 face shields and 344,275 surgical masks.

- As of June 12, FEMA has obligated \$88.7 million in federal support to Puerto Rico.
- A phased reopening is underway.

U.S. Virgin Islands

Critical supplies delivered: 34,521 N95 respirators, 65,760 gloves, 8,730 face shields and 89,054 surgical masks and 30 ventilators.

- As of June 12, FEMA has obligated \$16.0 million in federal support to U.S. Virgin Islands.
- A phased reopening is underway.

Region 3

Delaware

Critical supplies delivered: 77,434 N95 respirators, 691,008 gloves, 72,343 face shields, 244,665 surgical masks and 50 ventilators.

- As of June 12, FEMA has obligated \$5.4 million in federal support to Delaware.

- A phased reopening is underway.

Maryland

Critical supplies delivered: 3.6 million N95 respirators, 599,681 gloves, 328,789 face shields, 685,438 surgical masks and 470 ventilators.

- As of June 12, FEMA has obligated \$65.7 million in federal support to Maryland.
- As of June 17, one Battelle N95 decontamination unit is located in Baltimore.
- A phased reopening is underway.

Pennsylvania

Critical supplies delivered: 4.8 million N95 respirators, 1.7 million gloves, 665,639 face shields and 919,130 surgical masks.

- As of June 12, FEMA has obligated \$72.9 million in federal support to Pennsylvania.
- As of June 17, one Battelle N95 decontamination unit is located in the Harrisburg/Glenn Mills area.
- A phased reopening is underway.

Virginia

Critical supplies delivered: 291,357 N95 respirators, 2.0 million gloves, 101,035 face shields and 610,221 surgical masks.

- As of June 12, FEMA has obligated \$166.5 million in federal support to Virginia.
- As of June 17, three Battelle N95 decontamination units are located in the Blacksburg, Hampton and Richmond areas.
- A phased reopening is underway.

Washington D.C.

Critical supplies delivered: 754,677 N95 respirators, 789,242 gloves, 71,201 face shields, 417,582 surgical masks and 200 ventilators.

- As of June 12, FEMA has obligated \$56.8 million in federal support to the District of Columbia.
- As of June 17, one Battelle N95 decontamination unit is operational in Washington, DC.
- A phased reopening is underway.

West Virginia

Critical supplies delivered: 244,488 N95 respirators, 253,206 gloves, 182,519 face shields and 380,539 surgical masks.

- As of June 12, FEMA has obligated \$14.8 million in federal support to West Virginia.
- A phased reopening is underway.

Region 4

Alabama

Critical Supplies to Alabama: 1.0 million N95 respirators, 721,541 gloves, 123,121 face shields and 442,582 surgical masks.

- As of June 12, FEMA has obligated \$28.0 million in federal support to Alabama.
- As of June 17, one Battelle N95 decontamination unit is located in Birmingham.

- A phased reopening is underway.

Florida

Critical supplies delivered: 2.4 million N95 respirators, 977,872 gloves, 227,699 face shields, 1.1 million surgical masks and 200 ventilators.

- As of June 12, FEMA has obligated \$379.6 million in federal support to Florida.
- As of June 17, one Battelle N95 decontamination unit is located in Miami.
- A phased reopening is underway.

Georgia

Critical supplies delivered: 1.7 million N95 respirators, 2.1 million gloves, 189,715 face shields, 768,836 surgical masks and 150 ventilators.

- As of June 12, FEMA has obligated \$115.9 million in federal support to Georgia.
- As of June 17, one Battelle N95 decontamination unit is located in Kenshaw.
- A phased reopening is underway.

Kentucky

Critical supplies delivered: 797,082 N95 respirators, 521,202 gloves, 89,279 face shields and 422,922 surgical masks.

- As of June 12, FEMA has obligated \$17.4 million in federal support to Kentucky.
- As of June 17, one Battelle N95 decontamination unit is located in Louisville.
- A phased reopening underway.

Mississippi

Critical supplies delivered: 1.8 million N95 respirators, 493,438 gloves, 65,183 face shields and 421,711 surgical masks.

- As of June 12, FEMA has obligated \$24.2 million in federal support to Mississippi.
- As of June 17, one Battelle N95 decontamination unit is located in Jackson.
- A phased reopening is underway.

North Carolina

Critical supplies delivered: 1.3 million N95 respirators, 1.0 million gloves, 114,427 face shields and 680,551 surgical masks.

- As of June 12, FEMA has obligated \$31.2 million in federal support to North Carolina.
- A phased reopening is underway.

South Carolina

Critical supplies delivered: 394,762 N95 respirators, 301,448 gloves, 73,975 face shields and 465,505 surgical masks.

- As of June 12, FEMA has obligated \$69.5 million in federal support to South Carolina.
- As of June 17, one Battelle N95 decontamination unit is located in Eastover.
- A phased reopening is underway.

Tennessee

Critical supplies delivered: 1.3 million N95 respirators, 665,302 gloves, 118,999 face shields and 677,882 surgical masks.

- As of June 12, FEMA has obligated \$127.9 million in federal support to Tennessee.
- As of June 17, one Battelle N95 decontamination unit is located in Lebanon.
- A phased reopening is underway.

Region 5

Illinois

Critical supplies delivered: 5.7 million N95 respirators, 7.1 million gloves, 545,230 face shields, 1.5 million surgical masks and 620 ventilators.

- As of June 12, FEMA has obligated \$243.0 million in federal support to Illinois.
- As of June 17, one Battelle N95 decontamination unit is operational in Waukegan.
- A phased reopening is underway.

Indiana

Critical supplies delivered: 1.5 million N95 respirators, 860,534 gloves, 187,793 face shields and 440,683 surgical masks and 110 ventilators.

- As of June 12, FEMA has obligated \$55.5 million in federal support to Indiana.
- As of June 17, one Battelle N95 decontamination unit is located in Indianapolis.
- A phased reopening is underway.

Michigan

Critical supplies delivered: 10.2 million N95 respirators, 758,930 gloves, 318,671 face shields, 740,018 surgical masks and 700 ventilators.

- As of June 12, FEMA has obligated \$231.1 million in federal support to Michigan.
- As of June 17, one Battelle N95 decontamination unit is located in Detroit.
- A phased reopening is underway.

Minnesota

Critical supplies delivered: 2.4 million N95 respirators, 597,640 gloves, 92,297 face shields and 620,505 surgical masks.

- As of June 12, FEMA has obligated \$6.8 million in federal support to Minnesota.
- A phased reopening is underway.

Ohio

Critical supplies delivered: 2.8 million N95 respirators, 6.3 million gloves, 182,291 face shields and 672,263 surgical masks.

- As of June 12, FEMA has obligated \$53.0 million in federal support to Ohio.
- As of June 17, one Battelle N95 decontamination unit is located in Columbus.
- A phased reopening is underway.

Wisconsin

Critical supplies delivered: 774,748 N95 respirators, 475,346 gloves, 160,599 face shields and 504,163 surgical masks.

- As of June 12, FEMA has obligated \$72.6 million in federal support to Wisconsin.
- As of June 17, one Battelle N95 decontamination unit is located in Madison.
- No statewide stay at home order, phased reopening underway at local levels.

Region 6

Arkansas

Critical supplies delivered: 259,947 N95 respirators, 514,682 gloves, 112,762 face shields and 651,434 surgical masks.

- As of June 12, FEMA has obligated \$1.4 million in federal support to Arkansas.
- As of June 17, one Battelle N95 decontamination unit is located in Little Rock.
- A phased reopening is underway.

Louisiana

Critical supplies delivered: 2.6 million N95 respirators, 2.0 million gloves, 104,147 face shields, 494,800 surgical masks and 350 ventilators.

- As of June 12, FEMA has obligated \$183.6 million in federal support to Louisiana.
- Baton Rouge General Medical Center Mid-City Hospital mission extended to June 20.
- As of June 17, one Battelle N95 decontamination unit is located in the New Orleans/Slidell area.
- A phased reopening is underway.

Oklahoma

Critical supplies delivered: 712,726 N95 respirators, 279,304 gloves, 63,947 face shields and 685,447 surgical masks.

- As of June 12, FEMA has obligated \$25.6 million in federal support to Oklahoma.
- As of June 17, one Battelle N95 decontamination unit is located in Muskogee.
- A phased reopening is underway.

New Mexico

Critical supplies delivered: 250,068 N95 respirators, 256,430 gloves, 85,579 face shields and 297,889 surgical masks.

- As of June 12, FEMA has obligated \$33.8 million in federal support to New Mexico.
- As of June 17, one Battelle N95 decontamination unit is located in Rio Rancho.
- A phased reopening is underway.

Texas

Critical supplies delivered: 1.3 million N95 respirators, 2.2 million gloves, 440,817 face shields and 1.7 million surgical masks.

- As of June 12, FEMA has obligated \$778.7 million in federal support to Texas.
- As of June 17, five Battelle N95 decontamination units are located in the Austin, Corpus Christie, Dallas, El Paso and Houston areas.

- A phased reopening is underway.

Region 7

Iowa

Critical supplies delivered: 148,368 N95 respirators, 345,442 gloves, 84,577 face shields and 451,235 surgical masks.

- As of June 12, FEMA has obligated \$156.5 million in federal support to Iowa.
- No statewide stay at home orders issued, a phased reopening is underway at local levels.

Kansas

Critical supplies delivered: 1.0 million N95 respirators, 2.8 million gloves, 116,842 face shields and 651,434 surgical masks.

- As of June 12, FEMA has obligated \$52.6 million in federal support to Kansas.
- As of June 17, one Battelle N95 decontamination unit is located in the Topeka/Kansas City area.
- A phased reopening with local restrictions is underway.

Missouri

Critical supplies delivered: 1.5 million N95 respirators, 359,996 gloves, 134,399 face shields and 518,001 surgical masks.

- As of June 12, FEMA has obligated \$49.3 million in federal support to Missouri.
- As of June 17, one Battelle N95 decontamination unit is located in Jefferson City.
- A phased reopening is underway.

Nebraska

Critical supplies delivered: 297,288 N95 respirators, 474,930 gloves, 87,347 face shields, 307,217 surgical masks and five ventilators.

- As of June 12, FEMA has obligated \$17.1 million in federal support to Nebraska.
- A phased reopening is underway.

Region 8

Colorado

Critical supplies delivered: 560,122 N95 respirators, 625,836 gloves, 107,305 face shields, 617,764 surgical masks and 100 ventilators.

- As of June 12, FEMA has obligated \$229.6 million in federal support to Colorado.
- As of June 17, two Battelle N95 decontamination units are located in the Denver area.
- A phased reopening is underway.

Montana

Critical supplies delivered: 147,486 N95 respirators, 224,326 gloves, 40,611 face shields and 218,859 surgical masks.

- As of June 12, FEMA has obligated \$12.7 million in federal support to Montana.
- As of June 17, one Battelle N95 decontamination unit is located in Helena.

- A phased reopening is underway at local level.

North Dakota

Critical supplies delivered: 317,690 N95 respirators, 629,300 gloves, 37,077 face shields and 204,337 surgical masks.

- As of June 12, FEMA has obligated \$13.8 million in federal support to North Dakota.
- As of June 17, one Battelle N95 decontamination unit is located in Bismarck.
- No statewide stay at home orders, a phased reopening is underway at local levels.

South Dakota

Critical supplies delivered: 326,114 N95 respirators, 217,386 gloves, 113,313 face shields and 230,827 surgical masks.

- As of June 12, FEMA has obligated \$10.7 million in federal support to South Dakota.
- No statewide stay at home orders, a phased reopening is underway at local levels.

Utah

Critical supplies delivered: 317,614 N95 respirators, 254,284 gloves, 87,329 face shields and 270,189 surgical masks.

- As of June 12, FEMA has obligated \$9.8 million in federal support to Utah.
- No statewide stay at home orders, a phased reopening is underway at local levels.

Wyoming

Critical supplies delivered: 252,334 N95 respirators, 460,538 gloves, 36,125 face shields and 169,343 surgical masks.

- As of June 12, FEMA has obligated \$64,683 in federal support to Wyoming.
- No statewide stay at home orders, a phased reopening is underway at local levels.

Region 9

American Samoa

Critical supplies delivered: 39,039 N95 respirators, 77,070 gloves, 8,286 face shields, 38,422 surgical masks and 10 ventilators.

- As of June 12, FEMA has obligated \$1.2 million in federal support to American Samoa.
- A phased reopening is underway.

Arizona

Critical supplies delivered: 585,855 N95 respirators, 674,208 gloves, 108,993 face shields, 566,477 surgical masks and 100 ventilators.

- As of June 12, FEMA has obligated \$41.9 million in federal support to Arizona.
- As of June 17, one Battelle N95 decontamination unit is located in Phoenix.
- A phased reopening is underway.

California

Critical supplies delivered: 3.0 million N95 respirators, 1.8 million gloves, 505,442 face shields, 3.8 million surgical masks and 170 ventilators.

- As of June 12, FEMA has obligated \$1.0 billion in federal support to California.
- As of June 17, two Battelle N95 decontamination units are located in the Los Angeles and Fremont areas.
- A phased reopening is underway with local restrictions.

Commonwealth of the Northern Mariana Islands (CNMI)

Critical supplies delivered: 25,029 N95 respirators, 74,430 gloves, 8,272 face shields, 55,948 surgical masks and 25 ventilators.

- As of June 12, FEMA has obligated \$5.3 million in federal support to CNMI.
- A phased reopening is underway.

Guam

Critical supplies delivered: 42,817 N95 respirators, 84,904 gloves, 13,560 face shields, 283,390 surgical masks and 55 ventilators.

- As of June 12, FEMA has obligated \$13.8 million in federal support to Guam.
- A phased reopening is underway with local restrictions.

Hawaii

Critical supplies delivered: 348,222 N95 respirators, 224,724 gloves, 43,079 face shields and 235,857 surgical masks.

- As of June 12, FEMA has obligated \$55.5 million in federal support to Hawaii.
- A phased reopening is underway with local restrictions.

Nevada

Critical supplies delivered: 641,707 N95 respirators, 286,680 gloves, 54,775 face shields, 297,285 surgical masks and 150 ventilators.

- As of June 12, FEMA has obligated \$37.2 million in federal support to Nevada.
- As of June 17, one Battelle N95 decontamination unit is located in Las Vegas.
- A phased reopening is underway.

Region 10

Alaska

Critical supplies delivered: 307,394 N95 respirators, 286,252 gloves, 68,605 face shields, 206,063 surgical masks and 60 ventilators.

- As of June 12, FEMA has obligated \$6.4 million in federal support to Alaska.
- A phased reopening is underway.

Idaho

Critical supplies delivered: 121,090 N95 respirators, 332,974 gloves, 44,887 face shields and 315,357 surgical masks.

FEMA ADVISORY – WEEKLY REGIONAL SUMMARY

- As of June 12, FEMA has obligated \$1.7 million in federal support to Idaho.
- As of June 17, one Battelle N95 decontamination unit is located in Idaho Falls.
- A phased reopening is underway.

Oregon

Critical supplies delivered: 1.3 million N95 respirators, 616,724 gloves, 130,643 face shields, 369,101 surgical masks and 150 ventilators.

- As of June 12, FEMA has obligated \$62.0 million in federal support to Oregon.
- As of June 17, one Battelle N95 decontamination unit is located in the Eugene/Wilsonville area.
- No official expiration date, a phased reopening is underway with local restrictions.

Washington

Critical supplies delivered: 1.5 million N95 respirators, 1.1 million gloves, 127,201 face shields, 841,348 surgical masks and 500 ventilators.

- Additionally, as of June 17, 50 ventilators have been delivered to the Navajo Nation in the state of Washington and 20 ventilators have been delivered to the Washington State Department of Corrections.
