Proposal for a regulation

Article 3

Text proposed by the Commission

Amendment

The scope of application of the Recovery and Resilience Facility established by this Regulation shall refer to policy areas *related* to economic, social and territorial cohesion, *the green and digital transitions, health, competitiveness, resilience, productivity, education and skills, research and innovation, smart, sustainable and inclusive growth, jobs and investment, and the stability of the financial systems.*

The scope of application of the Recovery and Resilience Facility established by this Regulation shall refer to *the* policy areas *that the Member States consider to be a priority on the basis of their economic and social situation and shall be in keeping with what is needed and proportionate for workers, peoples and individual Member States to tackle their problems.*

Recovery plans eligible for financing within the scope of this instrument shall allocate their appropriations, measured in aggregate cost, to investment measures appropriate to the Member State's economic and social situation, and may allocate resources, in particular, to fostering full employment and work with rights, to stepping up states' public services and social roles, to the development of and investment in strategically important and productive sectors, to support for micro-, small and medium-sized enterprises, to promoting a sound and ecologically sustainable environment, to digital transformation and to economic, social and territorial cohesion.

Article 9

Text proposed by the Commission

Amendment

Article 9

deleted

Measures linking the Facility to sound economic governance

1. In the event of significant non-compliance in relation to any of the cases laid down in Article 15(7) of the Regulation laying down common provisions on the [...] [CPR], the Council shall, on a proposal from the Commission, adopt a decision by means of an implementing act to suspend the time period for the adoption of the decisions referred to in Articles 17(1) and 17(2) or to suspend payments under the Recovery and Resilience Facility.

The decision to suspend payments referred to in paragraph 1 shall apply to payment applications submitted after the date of the decision to suspend.

The suspension of the time period referred to in Article 17 shall apply from the day after the adoption of the decision referred to in paragraph 1.

In case of suspension of payments Article 15(9) of Regulation laying down common provisions on the (...) shall apply.

2. In the event of occurrence of any of the cases referred to in Article 15(11) of the Regulation laying down common

provisions on the [...], the Council shall, on a proposal from the Commission, adopt a decision by means of an implementing act to lift the suspension of the time period or of payments referred to in the previous paragraph.

The relevant procedures or payments shall resume the day after the lifting of the suspension.
