Proposal for a regulation**Article 1 – paragraph 1 – point 23**

Regulation (EC) No 1224/2009

Article 25a

*Text proposed by the Commission**Amendment*

1. Member States shall ensure effective control of the landing obligation. For this purpose a minimum percentage of fishing vessels fishing for species subject to the landing obligation and flying their flag ***established in accordance with paragraph 2, shall*** be equipped with continuously recording Closed-Circuit Television (CCTV) systems incorporating ***data*** storage.

1. Member States shall ensure effective control of the landing obligation. For this purpose:

(a) As from [2 years after date of entry into force] a minimum percentage of fishing vessels fishing for species subject to the landing obligation and flying their flag, may be equipped, on a voluntary basis, with continuously recording electronic monitoring systems incorporating the storage of data which make for effective monitoring of compliance with the landing obligation, such as Closed-Circuit Television (CCTV) systems. For that purpose, the Member States shall provide appropriate incentives.

Fishing vessels shall be equipped with electronic monitoring systems on a temporary and mandatory basis if they have committed two or more serious infringements of the rules laid down in Article 15 of Regulation (EU) No 1380/2013 when decided by the competent

authority as an accompanying sanction.

(b) As from [4 years after date of entry into force] additionally a minimum percentage of fishing vessels of 12 metres' length overall or more fishing for species subject to the landing obligation and flying their flag, shall be progressively equipped with continuously recording electronic monitoring systems incorporating the storage of data which make for effective monitoring of compliance with the landing obligation, such as Closed-Circuit Television (CCTV) systems. These fishing vessels shall be identified in specific control and inspection programmes adopted pursuant to Article 95 as posing a high or very high risk of non-compliance with the landing obligation.

(c) Those Electronic Monitoring Systems shall not be required to record audio signal and audio signal shall not be used for monitoring purposes.
