**Motion for a resolution****Annex – Part I – recital 17 – footnote***Motion for a resolution*

\* The Commission **should** identify high-risk sectors of economic activity with a significant impact on human rights, the environment and good governance in order to include the small and medium-sized undertakings operating in those sectors within the scope of this Directive. High-risk small and medium-sized undertakings **should** be defined by the Commission in this Directive. The definition **should** take into account the sector of the undertaking or its type of activities.

*Amendment*

\* The Commission **shall** identify high-risk sectors of economic activity with a significant impact on human rights, the environment and good governance in order to include the small and medium-sized undertakings operating in those sectors within the scope of this Directive. **Large undertakings and** high-risk small and medium-sized undertakings **shall** be defined by the Commission in this Directive. The definition **shall** take into account **several criteria, which include, but are not limited to, business indicators, business demographics information, the undertaking's member state, its position in the value chain and** the sector of the undertaking or its type of activities.
