Motion for a resolution

A. whereas the AA/DCFTA is the cornerstone of the European Union's relations with Ukraine based on political association and economic integration, and constitutes a roadmap for reforms, whose full implementation should be considered as enabling a continuous ***rapprochement towards the Union***, leading to a gradual integration into the Union's internal market, ***and towards fully reaping the potential and benefits of the AA/DCFTA***;

Amendment

A. whereas the AA/DCFTA is the cornerstone of the European Union's relations with Ukraine based on political association and economic integration, and constitutes a roadmap for ***neoliberal reforms***, whose full implementation should be considered as enabling a continuous ***privatisation of Ukrainian lands and natural assets by Western financial capital***, leading to a gradual integration into the Union's internal market;

Recital S a (new)

Motion for a resolution

Amendment

Sa. whereas before the outbreak of the COVID-19 pandemic, Ukraine was already suffering a long economic decline that can be linked to a series of substantial IMF loans that were made conditional on market liberalisation and reduced government spending, which dates back to 2005, and the beginning of the severing of economic ties to Russia with the so-called ‘Orange Revolution’ of 2004; whereas the IMF debt and the war against secessionists in the East that started as a result of the US-backed 2014 coup have contributed to the economic crisis;
