Proposal for a regulation

Article 3 a (new)

Text proposed by the Commission

Amendment

Article 3a

Access to the JTF

Access to the JTF shall be conditional on the adoption of a national objective towards the achievement of climate neutrality by 2050.

For those Member States which have not yet committed to a national target for climate neutrality, only 50 % of their national allocation shall be released, while the remaining 50 % shall be made available once they have adopted that target.
