Proposal for a regulation

Article 1 – paragraph 1 – point 23

Regulation (EC) 1224/2009

Article 25a – paragraph 3 a (new)

Text proposed by the Commission

Amendment

3 a. As an alternative to electronic monitoring systems used to check compliance with the landing obligation, Member States may also support the use of systems which make the monitoring of the selectivity of fishing operations directly on gear, including the certification of the same by the recognised authorities.

(This amendment aims at replacing amendment 123 voted in committee)
