

## MINORITY SERVING INSTITUTIONS PARTNERSHIP PROGRAM (MSIPP)

# POSTDOCTORAL RESEARCH PROGRAM

The Department of Energy Office of Environmental Management (EM) announces the establishment of a Postdoctoral Research Program. This program will provide fixed term postdoctoral research positions at National Laboratories that support the mission of EM. Postdoctoral candidates will have the opportunity to work alongside world-class scientists to solve complex challenges in areas of Advanced Manufacturing, Cybersecurity, Deactivation & Decommissioning, Groundwater & Soil Remediation, Waste Treatment, and other Novel Materials Research.

### Eligibility Requirements

Individuals who:

- Have been granted one or more degrees from a minority serving institution
- Have obtained or are approaching a doctoral degree in a science, technology, engineering, or mathematics discipline are strongly encourage to apply

### Compensation

Salary and benefits will be determined based on the specific job position and National Laboratory Policy.
